

西安理工大学  
XI'AN UNIVERSITY OF TECHNOLOGY

# XUT XI'AN

## ABOUT XUT

Founded in 1949, a high-level university mainly constructed by Shaanxi province, one of the important scientific research centers and senior talented people fostering base in the fields of water resources and hydroelectric engineering, equipment manufacturing as well as printing and packaging in the northwest of China.

### XUT Keeps

**3** campuses

**16** faculties and **1** teaching department

**23** experimental teaching centers including

**3** national demonstration centers

**18000** undergraduates, **6500** postgraduates

**67** Bachelor's programs

**27** key scientific research bases including

**3** national engineering centers and key Labs

**8** centers for post-doctoral studies

**91** Master's programs

**41** Doctoral programs

**1612** fulltime teaching faculty members including **270** Profs. and **557** associate Profs.

艰苦奋斗  
自强不息

## XUT SPECIALIZES IN

- ◆ Water Resources, Environment and Civil Engineering
- ◆ Electronics, Information and Control
- ◆ Mechanics and Light Industry
- ◆ Materials, Physics, Chemistry and Mathematics
- ◆ Management and Economics
- ◆ Humanities and Social Science

## XUT RANKINGS

According to CDR ( China Discipline Ranking ) released by Ministry Education of China, in the whole universities and colleges in China, the following disciplines of XUT have achieved:

### Top 10% ~ 20%

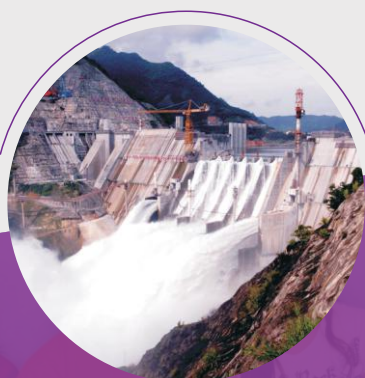

Hydraulic Engineering, Control Science and Engineering, Management Science and Engineering

### Top 20% ~ 30%

Material Science and Engineering, Mechanical Engineering, Marxism Theory

### Top 30% ~ 40%

Instrument Science and Engineering, Electronic Science and Engineering  
Civil Engineering, Environment Science and Engineering, Business Administration

## XUT HONORS

Undergraduate education has been accredited as EXCELLENCE in the teaching assessment by Ministry of Education of China

One of the first universities in China to implement the Plan for Educating and Training Outstanding Engineers

Advanced Unit of the Whole Country University Students' Social Practice

Advanced Unit of the whole Country Schools' Art Education work

More than 20 national awards and 382 province (ministry)-level awards for scientific research projects ( in recent decade )

- ◆ Over 1100 invention patents
- ◆ 200000 alumni
- ◆ Top 1% of ESI global rankings in engineering discipline.

Faculties	Subjects	Categories *			
Faculty of Materials Science and Engineering	Materials Physics	B			
	Materials Chemistry	B			
	Materials Processing and Control Engineering	B			
	Materials Science and Engineering	B			
	New energy Materials and Devices	B			
	Materials Physics and Chemistry		M	D	
	Materials Science		M	D	
Faculty of Mechanical and Precision Instrument Engineering	Materials Processing Engineering		M	D	
	Vehicle Engineering	B			
	Optical Information Science and Technology	B			
	Technology and Instrumentation of Measuring & Control	B			
	Mechanical Manufacturing and Automation	B			
	Optical Engineering		M		
	Mechanical Manufacture and Automation		M	D	
	Electromechanical Engineering		M	D	
	Mechanical Design and Theory		M	D	
	Vehicle Engineering		M	D	
	Printing and Packaging Technology and Equipment		M	D	
	Industrial Equipment Manufacturing and System Integration		M	D	
	Precision Instrument and Mechanism		M	D	
	Technology & Instrumentation of Testing and Measuring		M	D	
	Faculty of Computer Science and Engineering	Network Engineering	B		
Software Engineering		B			
Computer Science and Technology		B			
Internet of Things Engineering		B			
Software Engineering			M		
Computer System Architecture			M	D	
Computer Software and Theory			M	D	
Computer Application Technology			M	D	
Faculty of Economics and Management	Economics	B			
	Business Administration	B			
	Information Management and Information System	B			
	International Economics and Trade	B			
	Industrial Engineering	B			
	Marketing	B			
	Accounting	B			
	Finance	B			
	Human Resource Management	B			
	Economics of Population, Resources and Environment		M		
	Regional Economics		M		
	Finance		M		
	International Trade		M		
	MBA, EMBA, MPACC, MAD, MIE		M		
	Management Science and Engineering		M	D	
	Accounting		M	D	
	Enterprise Management		M	D	
	Tourism Management		M	D	
	Tech-Economics and Management		M	D	
	Faculty of Science	Information and Computing Science	B		
Applied Physics		B			
Applied Statistics		B			
Applied Chemistry		B			
Pharmaceutical Engineering		B			
Fundamental Mathematics			M		
Computational Mathematics			M		
Probability Theory and Statistics			M		
Applied Mathematics			M		
Operational Research and Cybernetics			M		
Theoretical Physics			M		
Particle Physics and Nuclear Physics			M		
Atomic and Molecular Physics			M		
Plasma Physics			M		
Condensed Matter Physics			M		
Acoustics			M		
Optics			M		
Radio Physics			M		
Chemical Engineering			M		
Chemical Technology			M		
Biochemical Engineering			M		
Applied Chemistry			M		
Industrial Catalysis			M		
Physical Electronics			M	D	
Faculty of Humanities and Foreign Languages		Law	B		
		English	B		
		Japanese	B		
		Foreign Linguistics and Applied Linguistics		M	
Faculty of Water Resources and Hydroelectric Engineering		Water Resources and Hydropower Engineering	B		
		Energy and Power Engineering	B		
	New Energy Science and Engineering	B			
	Water Supply and Drainage Engineering	B			

Faculties	Subjects	Categories		
Faculty of Water Resources and Hydroelectric Engineering	Hydrology and Water Resources	B		
	Environmental Engineering	B		
	Agricultural Water Conservancy Engineering	B		
	Fluid Machinery and Engineering		M	
	Soil and Water Conservation and Desertification Combating		M	
	High Voltage and Insulation Technology		M	D
	Hydrology and Water Resources		M	D
	Hydraulics and River Dynamics		M	D
	Hydraulic Structure Engineering		M	D
	Water Resources and Hydropower Engineering		M	D
	Port, Coast and Near-Coast Engineering		M	D
	Mechanized Agriculture		M	D
	Agricultural Water and Soil Engineering		M	D
	Agricultural Biological Environmental and Energy Engineering		M	D
	Agricultural Electrification and Automation		M	D
	Environment Science		M	D
	Environmental Engineering		M	D
	Municipal Engineering		M	D
	Power System and Automation		M	D
	Theory and New Technology of Electrical Engineering		M	D
Faculty of Civil Engineering and Architecture	Civil Engineering	B		
	Urban and Rural Planning	B		
	Engineering Mechanics	B		
	Project Management	B		
	Urban underground space project	B		
	Architecture	B		
	General and Fundamental Mechanics		M	
	Solid Mechanics		M	
	Fluid Mechanics		M	
	Engineering Mechanics		M	
	Geotechnical Engineering		M	D
	Structural Engineering		M	D
	Municipal Engineering		M	D
	Disaster Prevention Project and Protection Engineering		M	D
	Bridge and Tunnel Engineering		M	D
	Construction Project Management		M	D
Faculty of Art and Design	Product Design	B		
	Photography	B		
	Sculpture	B		
	Industrial Design	B		
	Visual Communication Design	B		
	Animation	B		
	Environmental Design	B		
Design		M		
Faculty of Printing, Packaging Engineering and Digital Media Technology	Printing Engineering	B		
	Packaging Engineering	B		
	Digital Media Technology	B		
	Signal and Information Processing		M	
	Light Industry Technology and Engineering		M	
	Food Science		M	
	Printing and Packaging Technology and Equipment		M	
Faculty of Automation and Information Engineering	Automation	B		
	Electronic Information Engineering	B		
	Internet of Things Engineering	B		
	Electrical Engineering and Intelligent Control	B		
	Communication Engineering	B		
	Electronic Science and Technology	B		
	Integrated Circuit Design And Integration System	B		
	Smart grid Information Engineering	B		
	Microelectronics	B		
	Communication and Information System		M	
	Electric Machines and Electric Apparatus		M	D
	Power System and Automation		M	D
	Power Electronics and Electric Drives		M	D
	Theory and New Technology of Electrical Engineering		M	D
	Physical Electronics		M	D
	Circuit and System		M	D
	Microelectronics and Solid Electronics		M	D
	Electromagnetic Field and Microwave Technology		M	D
	Control Theory and Control Engineering		M	D
	Measurement Technology and Automation Installations		M	D
System Engineering		M	D	
Pattern Recognition and Intelligent Systems		M	D	
Navigation, Guidance and Control		M	D	
Faculty of Information Technology and Equipment Engineering	Electrical and Computer Engineering	B		
	Information Engineering	B		
	Process Equipment and Control Engineering	B		

\*B: Bachelor M: Master D: Doctorate

## INNOVATION AND PRACTICE

This is a magic place where your ideas and thoughts come true, it's your world and you run and operate, you are active and happy every moment, your impetus in innovation is endless.

**XUT fully supports you with teachers' guide, and funding as well as well-equipped facilities.**

## CAMPUS LIFE

Not only at classes or in labs, campus life is colorful, too. Your performance is amazing and excellent, your talents are developed and exhibited in a new angle, it's a real life in XUT, students' organizations and clubs are calling you for joining.

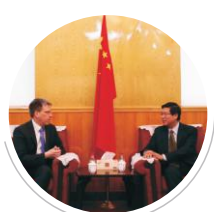

More than 150 organizations and clubs, over 1000 kinds of activities are organized yearly, you will be a member !

## INTERNATIONAL COMMUNICATION AND EXCHANGES

Fostering international visions is a mission of XUT, Each year hundreds of XUT faculty members and students study abroad, meanwhile, over one hundred foreign scholars and students are warmly embraced by XUT for academic collaboration and study.

**Our 50 partner universities are all over the world!**

## MAKE YOURSELF AT HOME

Besides appointing tutors for overseas students, XUT provides them on-campus housing with very convenient living facilities, and dining halls, they can enjoy a free and comfort life together with domestic students. XUT provides a large range of scholarships for overseas students, you won't worry about your living, just study. Not for dressing, entertainment or traveling, your expenditure is less, if you enjoy the similarity with domestic students, your cost for meals is less than CNY ¥ 1000 or so per month, your housing fee ( on your option) is about CNY ¥ 400.

### Undergraduate

HSK 4

Age 18-30

Tuition Fees: CNY ¥ 16000/year

( sciences/engineering )

CNY ¥ 15000/year ( liberal arts )

CNY ¥ 16000/year ( arts )

University Scholarship: CNY ¥ 8000/year

### Postgraduate

HSK 4

Age 18-40

Tuition waiver

University Scholarship: CNY ¥ 15000/year

### Doctoral

HSK 4

Age 18-45

Tuition waiver

University Scholarship: CNY ¥ 20000/year

### Language Program

Age 16-45

Tuition Fees: CNY ¥ 8000/semester

CNY ¥ 15000/year

Application

**1st March-30th June**

Registration

**25th August- 1st September**

One-year Chinese language study available for students

who need to reach the HSK 4.

Provincial Scholarships :

**Undergraduate: CNY ¥ 13000/year**

**Postgraduate: CNY ¥ 20000/year**

**Doctoral: CNY ¥ 25000/year**

( Students who have enjoyed or are enjoying other scholarships at school can no longer participate in this award. )

### ● Requirements:

- Application form
- Copy of passport
- Resume
- Official diploma and degree
- Related transcripts
- Two letters of recommendation ( M&D )
- A study plan
- Copy of Foreigner Physical Examination Form
- Certificate of Non-criminal Record
- HSK 4 or above
- Applicants under the age of 18 should submit the valid documents of their legal guardians in China.

XUT is located in Xi'an,  
Which is a well-known ancient city and metropolis in the world,  
And the only centre city with 12 millions of population in northwestern areas  
of China.

It's a start point of Silk Road,  
a capital city of 13 dynasties in long history of China.

The Terra-cotta, one of eight world wonders, Famen temple, the holy place of Buddhism,  
you are wandering in the history,

Since all of them are telling the past of China,

Welcome to Xi'an,

If you wonder the past of China, and witness the future of China, It's worth visiting.

**It's your home to study.**

**70<sup>+</sup>**

Universities and Colleges

**1 million**

University Students

**7,000<sup>+</sup>**

Overseas Students

**90<sup>+</sup>**

coming from  
Countries and Regions
